

Pinwheels and Hearts

Pinwheels and Squares

Pinwheels and Hearts

Cutting Instructions for the Pinwheels and Squares block:

Background fabric: white with yellow flowers— Cut ten $2\frac{7}{8}$ inch squares. Cut each square once on the diagonal.

Each of the five pinwheel fabrics: Cut two $2\frac{7}{8}$ inch squares.

Peach solid fabric: Cut four $4\frac{1}{2}$ inch squares.

Pair a background triangle with each of the pinwheel fabric triangles, sew together, press and square to $2\frac{1}{2}$ inch triangle squares. Using the picture as a guide, assemble the triangle squares into $4\frac{1}{2}$ inch pinwheels. Sew the pinwheels and squares together in rows. Join the rows, press, and square your block to $12\frac{1}{2}$ inches.

Cutting Instructions for the Pinwheels and Hearts block:

Background fabric: white with yellow flowers— Cut ten $2\frac{7}{8}$ inch squares. Cut each square once on the diagonal.

Cut eight $2\frac{1}{2}$ inch squares.

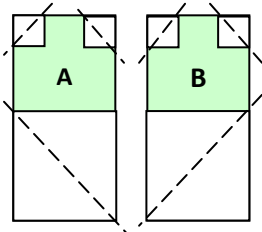

Cut sixteen 1 inch squares.

Purple fabric: Cut ten $2\frac{7}{8}$ inch squares. Cut each square once on the diagonal.

Green puppy print: Cut eight $2\frac{1}{2}$ x $4\frac{1}{2}$ inch rectangles

Pair purple and background triangles to make 20 triangle squares, make five pinwheel blocks.

Heart blocks: Use the shared corner method to make four heart blocks: Place background squares and green

rectangles right sides together as shown on the diagram. Make four "A" units & four "B" units. Stitch across the diagonals (as shown). Open and press. If you leave the green rectangle whole and cut away only the excess *background* fabric that is the middle layer (leaving $\frac{1}{4}$ inch seam allowance) your heart will retain its shape better. Stitch the two halves of the hearts together, press & square to $4\frac{1}{2}$ inches.

Stitch the pinwheels and hearts together, press, square to $12\frac{1}{2}$ inches.
